

Three Medieval Queens: Queenship And The Crown In Fourteenth-century England

by Lisa Benz St. John

Lisa Benz St. John. Three Medieval Queens: Queenship and the Crown in Fourteenth-Century England. Palgrave Macmillan, 2012. This book is an innovative study offering the first examination of how three fourteenth-century English queens, Margaret of France, Isabella of France, and Philippa of Hainault, ruled as queens and as mothers. The book explores the challenges they faced in a world where women's power was limited and the crown was a source of contention. It is a must-read for anyone interested in medieval history and the role of women in power.
